

RRCUS OWNER/HANDLER AWARD PROGRAM

(Approved November, 2017 RRCUS BOD)

(F. Approved January, 2018 RRCUS BOD)

PURPOSE

1. To encourage members of RRCUS who are amateur owners to participate as handlers of Rhodesian Ridgeback dogs owned or co-owned by them in Conformation Competition.
2. To foster Sportsmanship among those showing their dogs.

NOTE: Points are awarded on a competition basis only. A dog must defeat another dog to earn points. For Example: If a dog has no competition in its class, no points are awarded for First Place. That same dog defeats another dog for Winners. Two points are awarded. Winners Dog defeats Winners bitch for one additional point, plus Best of Breed with no Champions competing therefore, no additional points. The dog does not place in Group. Total for the day is 3 points.

GUIDELINES AND RULES FOR PARTICIPATION

- A. All participating Owner/Handlers must be RRCUS members as of January 1 of the year of participation and must register with the Program Coordinator, who will be selected by the RRCUS Board of Directors.
 1. Registration must be received by February 1 for the year of participation.
 2. Junior Handlers included in a RRCUS family membership are eligible.
- B. Only one dog per show may be exhibited for points by any one person. If an owner exhibits more than one dog of his/her ownership, the dog accumulating the most number of points for the day will be counted.
 1. Ownership and date of ownership is determined by the AKC Registration Certificate. For example, if a dog is shown and the Owner/Handler is NOT listed in the official record, the owner must submit to the Coordinator a copy of the AKC Registration verifying ownership and date of ownership for points to be awarded. It shall be considered unsportsmanlike conduct to solicit co-ownerships in order to increase the number of dogs a participant shows and thereby increase chances to earn owner/handler points. The total number of dogs' owned/co-owned and used for owner/handler competition shall be no more than 4.
 2. The AKC MONTHLY CONFORMATION REPORT is the only official record by which points will be determined.

3. It is the responsibility of the participant to provide accurate information.
4. All point submissions must be received by the Coordinator in a timely manner.-Points earned each month must be submitted no later than the end of the month after the month in which they were earned or they will be forfeited.
