- To comply with health code regulations, pets are not allowed in the pool area, fitness center or food and beverage outlets at any time during the stay.
- Pet must be kept on a leash at all times in the interior public areas and the exterior grounds of the hotel property. Unleashed or unattended pets may be removed from the property at the expense of the pet owner.
- When walking my pet to relieve itself I will do so on the OUTER perimeter of the hotel grounds, away from the side of the building and flower beds. I am responsible to clean up after my pet. Additional gloves or baggies are available at the front desk if needed during our stay.

- If pet is left alone in the room it must be in a kennel. If housekeeping enters a room to find a pet that is not kenneled the room will not receive services that day.
